## FUNERAL SUNDAY FOR JAMES GRAY

SERVICES WILL BE HELD IN THE COURT HOUSE YARD.

## SERMON BY HARKNESS

Former Presbyterian Pastor to Come From Kansas City—Rites at 2 o'Clock.

Full military honors for Corporal James Edward Gray, the first Maryville boy to be killed in action in France will be paid at a division military funeral to be held in the court house yard at 2 o'clock Sunday.

The body left Hoboken at 8:30 o'clock yesterday morning. If it comes by the most direct route, via St. Louis, it will reach here early tomorrow morning. All other Nodaway county bodies, however, have first been shipped to Omaha before being distributed. When a telegram is received giving the exact time of the body's arrival, plans will be made for a guard of honor to escort it to the Gray home, 222 West Cooper street, where it will lie in state until the time of the funeral.

The funeral sermon will probably be delivered by the Rev. Samuel D. Harkness, former pastor of the First Presbyterian church here and now pastor of the Immanuel Presbyterian church of Kansas City. Definite word has not been received from the Rev. Mr. Harkness, but it is thought that he will be able to come.

If the weather is unfavorable, the funeral services will be held in the First Presbyterian church, instead of in the court house yard. If the weather is good, the square will be kept clear from 1 to 3 o'clock.

Burial will be in Miriam cemetery, where the rites will be in charge of James Edward Gray Post No. 100 of the American Legion. The Seth Ray David Post of the Veterans of Foreign Wars has been asked to assist, as well as the American Legion posts at Hopkins, Ravenwood, Conception Junction, Graham, Skidmore, Burlington Junction, Barnard, Guilford, Clearmont and any other posts in the county or nearby towns.

From the home to the court house yard and from the court house yard to the cemetery, the casket will be carried on an artillery caisson, with an escort of former service men in uniform, both mounted and unmounted. The Maryville band will play, and there will be several selections by a quartet composed of John Mutz, Martin Lewis, Walter Nixson and C. D. Kutschinsi.

Besides the former service men, all patriotic organizations in Maryville and the county are invited to attend the services in a body.

Equipment for the funeral was collected this morning by members of the James Edward Gray Post. A full division military funeral is planned, with the artillery represented by the caisson, the cavalry by ex-service men mounted, and the infantry by ex-service men on foot. For the cavalry detachment the post will need forty or fifty saddle horses. Those who have horses which they will loan to the post are asked to telephone Henderson Aley at the South Side Bakery.

Blind Boone plays with an ease that shows thorough mastery of the instrument and two of the ten numbers of his program last night were original compositions. He was assisted by Mme. Marguerite Day, a negro soprano, who has a voice of a pleasing quality.

## GRAND JURY URGES REPAIRS FOR JAIL

BUILDING IN BAD CONDITION INVESTIGATORS REPORT.

## PLUMBING NOT MODERN

Interior Is Unsightly and Unsanitary, and Only One of Revolving Cells Will Work.

The grand jury concluded its session this afternoon and submitted a report to the county court about the condition of the county jail. The report suggested that a number of repairs be made to the jail building, such as the repairing of the roof, installation of a complete system of plumbing, including stools and lavatories, renovating of the interior with new plaster where needed, painting and papering the interior, and thorough repairing of the revolving cells.

The grand jury brought in four true bills and were discharged.

Former grand juries have reported that the county jail was no jail at all and suggested bonding the county for the building of a new jail.

The present jail building was constructed in 1881-82, costing about $19,400. Many improvements have been added to the jail since that time.

The report of the grand jury on the county jail follows:

"To the Honorable County Court of Nodaway County, Missouri: We, the grand jury, duly empanelled, charged and sworn to inquire within and for the body of the county of Nodaway and State of Missouri, beg to make the following report:

"We, the grand jury, have thoroughly examined the county jail, and find it very much in need of repairs. The roof is delapidated, and we suggest that it be repaired at once. The interior of the walls are discolored, the plastering is loose in many places, and much of it has fallen to the floor. We find the plumbing is not adequate, in fact not connected with city water. The stools and lavatories are decidedly foul, and unsanitary, and that part of the jail used for the detaining of prisoners is very unclean and unsanitary.

"The mechanism of the revolving cells is out of repair, and cannot be operated, only one cell being in position for use.

"We, the grand jury, suggest the following repairs for the county jail at Maryville, Nodaway county, Mo.:

"Thorough repair of the roof.

"Complete system of plumbing, including stools and lavatories.

"Thorough renovating of the interior.

"New plaster where needed.

"Painting and papering interior.

"Thorough repairing of revolving cells.

"Respectfully submitted,

"CHAS. H TALBOTT, Foreman.

"FRANK H. BARRETT, Clerk."

He selected a pen of their best hens, showing superiority both as show birds and as egg producers, and will certify them as a breeding pen in the campaign for better poultry being conducted by the agricultural extension service. The hens will be mated with cockerels which are the sons of hens with a production record of 200 eggs or more.

## NEGRO BURGLARS ARE SENTENCED

CLYDE FINLEY GETS 8 YEARS—HINCKLE 10 YEARS.

## CHANGE PLEA TO GUILTY

Officers Now Seek the Owner of the Buick Car Used in Robbery—License Was Stolen.

Clyde Finley was given a sentence of eight years in the penitentiary, and his pal, Roy Hinckle, was given a term of ten years in the circuit court this morning by Judge Dawson. Both negroes pleaded guilty to the charge of the burglary of the Remus Mercantile Store last Friday night. Previously they pleaded not guilty but this morning expressed a desire to change their plea to guilty.

Finley was given five years for burglary and three years for larceny. Hinckle was given five years for burglary and five years for larceny. Hinckle's sentence was made two years more on account of the fact that he has not been trouble before and is now wanted at Omaha for the burglary of a fur store there. From information received, it was said Finley had never been in trouble before. He formerly was employed in this city at the Linville hotel. Hinckle admitted he also went under the name of Ralph Burns.

When sentence was given, Hinckle thought the court was a little severe. In answer to a question from Judge Dawson whether any one assisted them in the burglary of the Remus store, both boys said no. Hinckle is 19 years old and Finley is 24.

An officer from Omaha visited Maryville Tuesday to see if he could trace the ownership of the automobile which the Maryville authorities captured when the car was abandoned by Hinckle and Finley near Amazonia. The car is at the fire station. Up to this time the ownership of the car has not been established. The Nebrasko license on the roadster had been stolen from another car.

The court appointed W. B Seymour, William F. Hinton and Hugh McClurg as commissioners in the Mill Creek drainage district.

## W. C. T. U. OPENS STATE CONVENTION AT HANNIBAL

Maryville Delegates Unable to Attend Sessions—Speakers Have Given Addresses Here

The thirty-ninth annual convention of the Women's Christian Temperance Union is in session at the Fifth Street Baptist church at Hannibal. It will continue through Friday. Mrs. R. L. McDougal and Miss Alice Peters were named as delegates to represent the Maryville organization, but neither made the trip.

The state organization of the W. C. T. U. was formed at Hannibal in 1882. The state convention has been held there in 1887, 1903 and again this year.

The convention proper opened at 9 o'clock Wednesday morning, with Mrs. Nelle Burger, state president, in the chair. The state evangelistic superintendent, Mrs. Laura Harnois of St. Joseph, conducted the consecration and prayer service. Mrs. Burger conducted the memorial services.

Wednesday evening an address was given by Mrs. Ella Boole, vice president at large of the National W. C. T. U, and treasurer of the World's W. C. T. U. Thursday evening a get-together dinner will be given, in which Mrs. Burger will be toastmistress.

Friday morning the convention will be addressed by Mrs. L. O Middleton, world and national superintendent of S. T. I. or temperance teaching in the schools. Mrs. Middleton attended and addressed a meeting of the district Teachers' Association here at the College a few years ago. She is a convincing speaker and has deserved her promotion to world's superintendency.

Friday afternoon will be devoted to reports of the National Convention held at San Francisco in August of this year, under the caption of "The Greatest Thing I Saw and Heard at the National Convention." On Friday evening a pageant will be presented.

## ALL TEAMS PLAY AWAY FROM HOME

HIGH SCHOOL AT TRENTON, COLLEGE AT WARRENTON

## SECONDS AT CONCEPTION

Yannigans of Dr. Jesse Miller, Jr. Will Tackle College Team There Saturday

Maryville fans will not have an opportunity to see either the College or High School football eleven in action this week, unless they accompany one of the teams to a foreign field. The High School squad left this morning on the first leg of its journey to Trenton, while the College team will leave for Warrenton tomorrow morning.

The High School team is making its trip in two parts. The men will be given a light workout at Gallatin this afternoon, remain there over night and go on to Trenton the following day for the game that is expected to be one of the hardest of the season. The players were accompanied to the train this morning by the entire student body and sent off with cheers. Whether they win or lose, they will be greeted the same way when they come home.

Not content with letting the first string men get all the glory, the second team of the High School has challenged the Conception College team and will play there Saturday afternoon. The yearlings, under the direction of Dr. Jesse Miller, Jr., have developed a fast little team, which gives the varsity stiff competition at times.

Supt. L. E. Ziegler scheduled the game for the second team as a reward for their faithful work against the first team in the practice workouts It will give the inexperienced men a taste of battle and develop material for next year's first team. Other games will be scheduled with any other nearby teams that want them.

The College eleven's game this week will be with Central Wesleyan College.

"There is only one man connected with this football team who is certain of making this trip, and that's me," said Coach Russell Sprong this afternoon. "This is our second conference game and we are very anxious to win it. I don't know anything about Central Wesleyan, but I expect them to be strong."

Sixteen men will leave tomorrow to play at Warrenton Saturday. They will probably be picked from the following list: Kirby, Graham, Barclay, Young, Hays, Palmer, Ashcroft, Webb, Lundt, Allan, Foreman, Sawyers, Earp, Bland, McMurry, Pickens Bush, Puckett and Houchens.

McMurry, Allan, Sawyers and Palmer have all been displaying good form and aggressiveness this week. Lundt and Earp are still on the hospital list, but they will make the trip.

The team will leave tomorrow morning at 10:45 o'clock. They will be accompanied to the train by the entire student body of the college. The 10 o'clock classes will be dismissed for those who go to the station, but those who do not go will have to attend their classes. The team will return at 5 o'clock Sunday morning.

President Uel Lamkin and W. A. Blagg will both be at Warrenton for the game.

Graham appears to be recovering from his injured thumb and with Barclay and Young should take care of the left side of the line in first class shape. On the other side of the line several men have shown about equal strength. From the way in which some of the men who have been used as substitutes in previous games are showing up it might be that some of the regular men may go into the discard.

Foreman has demonstrated himself to be an unusually good defensive fullback. He backs up the line well and is always talking it up during a game.

The squad is in good shape, with one or two exceptions, and no radical changes have been made in the line-up.

The schedule for the remainder of the season is:

October 28—Palmer College here.
November 4—Tarkio there.
November 11—Warrensburg there.
November 19—K. C. University here.
No Thanksgiving game scheduled.

## COOPER TO TAKE COLLEGE POSITION

RESIGNS AS COUNTY SUPERINTENDENT OF SCHOOLS.

## FATHER OF NEW METHOD

College Secures Him to Make School Here the Nation's Center of Rural Education.

Bert Cooper, county superintendent of the schools of Nodaway county since Janury 1, 1915, has resigned to accept the position of director of extension and correspondence work of the State Teachers College. His resignation, to take effect immediately, has been accepted by Sam A. Baker, state superintendent of schools, and his successor will be appointed by Governor Hyde.

In offering the position to Mr. Cooper, it was the purpose of the president and Board of Regents of the State Teachers College to extend its vitalized agriculture and rural school work and to make the College here the center for rural education, not only for the state but for the entire country.

Mr. Cooper has been called into seven other states to help start the vitalized agriculture work, and has done very extensive institute work throughout the state of Missouri. As director of extension and correspondence work, he will be available for institute work and short course work throughout the district Tomorrow he will address the Northeast Teachers Association in its annual meeting at Kirksville.

Mr. Cooper was appointed county superintendent of schools by Gov. Elliott W. Major on January 1, 1915. He was regularly elected for a term of four years in April, 1915, and re-elected in April, 1919. He had two years of this term yet to serve.

During the six years he has been county superintendent, Nodaway county's rural schools have become nationally famous, because this county was the first to put over the new method of teaching which has become known as vitalized agriculture. Educators have come from all parts of the country to visit these schools, and the magazines have written many stories of the excellent work done. The county has had visitors from Boston, Mass.; South Dakota; Maryland; Oklahoma; Utah; and other places in the United States, besides one visitor from South America and one from Russia.

On January 1, 7915 when Mr. Cooper first took office, there were nine approved high schools in the county, only three of which were offering four years work. In 1921, there are seventeen approved high schools, with thirteen of them giving four years work.

Six years ago there were 518 pupils in high school and 88 graduates. In 1921 there were 1,180 students enrolled in high school, and 218 of them were graduated.

In 1915, as a result of its approved high schools, the county drew $2,213 from the state. In 1920, as a result of its approved high schools, the county drew $7,690.

In 1915, the county had one consolidated high school. Now it has eight.

Only 75 of the teachers in the county had four years of high school training in 1915. In 1921 there are 240 teachers with full four years of high school work.

In 1915, there were thirty-one approved rural schools. Now there are sixty of the rural schools on the approved list of the state department of education. Nodaway County now has more standard approved rural schools than any other county in the state.

## WOULD PUT MARYVILLE ON NATIONAL HIGHWAY

Extension of Kansas City-Tulsa Short Line North to Canada Is Proposed.

A proposal to include the Itasca Park Highway in a ntional north to south highway is made in a letter received by the Chamber of Commerce this morning from J. Frank Smith of Kansas City. The proposal is made in connection with the projected extension of the Kansas City-Tulsa Short Line.

"The Kanss City-Tulsa Short Line Association is ambitious to become a cross country highway and is seeking an extension north from Kansas City either to Chicago or to the Minnesota Lakes, probably to the Canadian line," says Mr. Smith.

Observers who have been over the St. Joseph-Maryville-Carroll-Itasca Park Highway the past summer are very enthusiastic about the advantages of the route from Kansas City to the Minnesota lakes and suggest that this would be a logical extension of the Kansas City-Tulsa Short Line.

Harry Russell of Fort Scott, Kan., D. A. Glenn of Louisburg, Kan., and J. Frank Smith of Kansas City are a committee of three to investigate the possible extension of the route and will report to the board of directors.

## BELIEVE MOUND CITY WOMAN TOOK OWN LIFE

**Coroners Jury Returns Open Verdict After Inquest on Mrs. Katherine Lent, Young Grass Widow**

That Mrs. Katherine Lent, young widow who was found dead in a body near Mound City, committed suicide by drinking strychnine, is the belief of Dr. D. C. Perry, Holt County coroner, after an inquest, which was held Tuesday afternoon. Other officials and some of the friends of the dead woman still hold to the belief that a murder has been committed.

Mrs. Lent was 28 years old and had been twice divorced. She had three children, Robert Williams, 7 years old and Irene and Ralph Lent, 4 and 2 years old. She made her home with her father, John Long, a farmer living about seven miles southeast of Mound City. He mother is dead and the father has remarried.

About noon, Mrs. Lent left the Long home with the two younger children, taking a quantity of food with her and saying that she was going to meet a man, whose name she did not divulge. She did not return home Sunday night, and about 2 o'clock Monday afternoon her body was found in a meadow about a half mile southeast of the house. A bottle which had contained strychnine was found by her side, and the empty dishes in which the food had been carried were found about a half mile south of the spot where the body was found.

The two children were with their mother's body, and the fact that they were not injured, together with other information gathered, ndcated that the woman had not been dead long. There was not much evdence of convulsions. There was strychnine in her mouth and on her face. Some reports said there were bruises about her neck but no other marks on the body.

The coroner's jury Tuesday afternoon returned an open verdict, saying that Mrs. Lent had come to her death by her own hand or by parties unknown.

*This is a Studebaker Year*

**Study the LIGHT-SIX feature by feature —then consider the new low price!**

THIS remarkable light weight six-cylinder car combines all that we believe the critical owner expects in an automobile. It was built *up* to that expectation. And because it is manufactured *complete* in the Studebaker plant with middlemen's profits eliminated—Studebaker is able to offer it today at the new low price.

At all driving speeds the LIGHT-SIX is remarkably free from vibration. Its powerful 40-horsepower motor is an exclusive Studebaker design—built complete in Studebaker factories. The flexibility—the power—and the economy (18 to 22 miles to the gallon) of the LIGHT-SIX motor are qualities not to be found in the average six-cylinder car.

You can have the advantage of this motor's wonderful gasoline economy and the satisfaction of its smoothness of operation only by owning a Studebaker LIGHT-SIX.

*No motor car ever before offered to the public has represented so much in automobile values as the LIGHT-SIX at the new price. SEE this remarkable car. DRIVE in it. KNOW why Studebaker refers to it as "The World's Greatest Light-weight Automobile."*

D. S. Angell, 414 East Third St., Maryville, Says: "I used Doan's Kidney Pills several years ago and I consider them a great remedy. From heavy work on the farm my kidney action grew very irregular and troubled me to a great extent. Sharp shooting pains caught me in the small of my back and my back became very lame and sore. My work was a large ordeal for me. I only used a few boxes of Doan's Kidney Pills for this trouble and they completely cured me of the attack. I use Doan's occasionally when I am not feeling right and my kidneys are not acting regularly due to a cold and they always bring relief. I highly recommend them to anyone with kidney complaint."

COULD NOT KEEP HOUSE

Without Lydia E. Pinkham's Vegetable Compound, Says Mrs. Pitts of Newburgh

Newburgh, N. Y.—"My trouble was a weak back and I could not walk two blocks without being tired out. I read of Lydia E. Pinkham's Vegetable Compound in a newspaper and decided to give it a trial. Now I can do my own work and walk with ease. I always keep the Vegetable Compound in the house. It certainly is my best friend and I could not keep house without it. I have recommended it to many and always shall. You may use this letter if you wish."—Mrs. EDWARD PITTS, 2 High St., Newburgh, N. Y.

It has been said that "backache is an invention of the Evil One to try women's souls," but even so, it is more often a symptom of a female trouble which sooner or later declares itself. Day after day it drags a woman down and night after night prevents restful sleep. Such woman should follow Mrs. Pitt's advice and try Lydia E. Pinkham's Vegetable Compound, and regain health. Letters about your health will be given careful attention and held in strict confidence if you write to Lydia E. Pinkham Medicine Co., Lynn, Mass. Their experience of over 40 years is at your service.

## STATE Y. M. C. A. SECRETARY AT S. T. C. THIS MORNING

**E. R. Hinckley Holds Conference With Cabinet Members And Faculty Advisors**

E. R. Hinckley, state educational secretary of the Y. M. C. A. is in Maryville today and this morning held a conference with the cabinet of the newly organized Y at the State Teachers College. Another conference will be held this afternoon.

In his talk this morning Mr. Hinckley said, "The main thing for a new organization is to have objectives. Goals must be set or no attainment can be reached. "The two main objectives of the Y. M. C. A. are spiritual and fellowship. There are three classes of men in every institution. There is the religious class, those who are not strictly religious, and the class of the irreligious. A successful organization will reach each of these classes and to reach them the men of the organization must be acquainted with them.

Mr. Hickney came to Maryville from Tarkio where he has been looking over the Y. M. C. A. at the Tarkio College. He said that it was true in that institution and others in the state that the spirit of fellowship among the students has increased with the organization of a Young Mens Christian Association.

In giving a brief history of the Y. M. C. A. he said, "The first organization of this kind was started in London 109 years ago by a man by the name of George Williams. He realized the need of such a thing for the young men of London and called several of his comrades together. In three years it has spread to such a degree and had done so much good that he was knighted by Queen Elizabeth.

The idea spread to America and now there are over 900 colleges and universities in the country which have active Y. M. C. A. organizations. Twenty-six of these colleges are in Missouri and over 300 college men are on committee work now.

The Y. M. C. A. movement is now in full swing in thirty-nine countries of the world and each year it is spreading.

This afternoon the questions of membership campaign, a budget system, religious work and social activities will be discussed. The three faculty advisors, Mr. Loomis, Leeson, and Miller will also have a meeting with Mr. Hinckley and with what they learn and with the ideas given to the cabinet members it is hoped that the Y. M. C. A. at the college will soon rank with the best in the state.

## SISTERS FROM CONVENT WOULD BECOME CITIZENS

**Thirteen Fill Out First Papers in Circuit Clerk's Office—Establishes a Record.**

A record was established in the office of Circuit Clerk Henry Westfall yesterday afternoon, when thirteen Sisters of Perpetual Adoration from the convent at Clyde declared their intention of becoming citizens of the United States. Nine of them were born in Germany and four in Switzerland. They came to the United States at intervals from 1881 to 1912.

Sixteen more of the sisters will declare their intentions of becoming citizens today, according to Joe Enis of Clyde, who assisted the sister yesterday. Instances have been rare, declared Circuit Clerk Westfall, when more than one or two subjects of foreign countries have visited this office to forswear their allegiance to the foreign power and ask to become citizens of the United States.

The following sister filled out their first papers yesterday:

Sister Mary Magdalen Brockmann, born in Alhausen, Germany, September 9, 1861, came to the United States in June, 1881.

Sister Mary Romana Moritz, born in Alpe, Germany, April 23, 1880, came to the United States July 10, 1907.

Sister Mary Malania Moehrle, born in Ertigen, Germany, October 15, 1862, came to the United States September 3, 1896.

Sister Mary Eustella Neuthard, born in Breitenau, Germany, September 7, 1871, came to the United States August 24, 1895.

Sister Mary Edeltrudis Neuthard, born in Breidenau Amt Buchen, Germany, January 6, 1873, came to the United States August 24, 1895.

Sister Mary Veronica Neuthard, born in Breitenau, Germany, March 24, 1870, came to the United States September 25, 1893.

Sister Mary Dominica Eberhard, born in Laundenbach, Germany, December 27, 1878, came to the United States November 13, 1903.

Sister Mary Lutgard Furer, born in Gossau, Switzerland, Mary 13, 1862, came to the United States December 5, 1886.
